RESERVATIONS & HOUSE NOTES
2026/2027 Season

Thursday, November 19, 2026 - Saturday, May 1, 2027

Our eighth season of dinner service opens this November, and the dining room returns refreshed after a summer of work.

NAEF is built for one kind of evening: unhurried, romantic, and attentive to detail. The notes below exist so we can protect that evening for every guest at every table. We are grateful for your understanding, and we look forward to welcoming you.

Service

Monday through Saturday. Closed Sunday.

Service begins at 6:00 pm. Last seating at 8:30 pm.

By reservation only. We do not accept walk-ins, at the table or at the bar.

Reservation

Tables for up to eight guests may be booked online. For larger parties, please write to us through the form on our website and we will do our best to accommodate you.

A credit card is required to confirm every reservation. No charge is made at the time of booking.

You may change or cancel at no cost up to 24 hours before your reservation. Within 24 hours, or in the case of a no-show, we charge MXN 600 (approximately USD 35) per guest. It is a small table count and a short season; every seat we hold is a seat we cannot offer to someone else.

We hold your table for 15 minutes past the reserved time. After that we may need to release it.

Dress code. Resort Elegant.

Linen, light tailoring, dresses, closed shoes or dress sandals. We kindly ask guests to leave beachwear, swim attire, flip-flops and sleeveless shirts for the daytime.

Children. To preserve the quiet of the room, we welcome guests aged 10 and above.

Pets. We are unable to receive pets. With the exception of service animals.

Wine. We do not offer corkage. Our cellar has been chosen to sit alongside the menu, and our team will be glad to guide you through it.

Allergies and dietary preferences. Please tell us when you book.
